Prophecy Against Wicked Jezebel

"She will be destroyed forever, that wicked spirit affecting women, for I have said so, says the LORD. For she will be destroyed forever in the pit of Hell, and My Lake of Fire, says the LORD. For she has been reserved unto the End Times, affecting women everywhere, even men who yield unto its wicked influence. For I have put wicked Jezebel in your society, affecting women everywhere, causing them to reject their natural roles as wives, mothers, and homemakers. That they reject, preferring the world instead of husbands. Do not seek a wife for they will not comply unto motherhood, My son, preferring instead the world instead of babies. Wicked Jezebel must be punished for I have ordained My women of evil to Hell because they will not comply, but instead went their way in the world. Evil Jezebel fills the abortion clinics and the classrooms in colleges everywhere, affecting the female soul, causing them to reject My children, the soul of which will endure eternity in My Lake of Fire, for I have ordained her for that, My son. The End-Times female, servants of Satan himself, cannot control herself but must have sexual immorality everywhere, for so I propose that they be eliminated from the Earth en-masse, to endure eternity in My Lake of Fire, My son. Jezebel shall be rounded up because she will not comply with My will and commandments concerning women, as outlined in My Word. Men beware, these are the End Times, serve Me and not yourself. Do My will for your life and reject wicked Jezebel infecting the Earth. Your LORD has spoken. Amen and amen."

<u>The Punishment Of My Single Women</u> "My people refuse to marry Me, through women of the land. My ladies refuse to marry Me, My men who are single. Therefore I shall punish them, My son. Many women prefer the world, not Me, therefore I shall punish them forever. They refuse to get married, preferring the work the world provides in jobs and careers throughout the land. I Am incensed against them– that is not My natural way. Therefore many men are given to masturbation because they cannot have natural relations through marriage. My ladies reject family life, thinking it beneath them. Espoused with feminism, they reject men, calling them the patriarchy. My people refuse to obey Me, My son, therefore they shall go to Hell. Even the Lake of Fire is waiting for them. The great plague will eliminate many of the land. I have said so, your LORD. Amen and amen."
